CENTRAL CALIFORNIA TRAUMA SYMPOSIUM
EXHIBITOR INFORMATION**

The Central California Trauma Symposium invites you to become an exhibitor for our tenth annual “Trauma Care Across the Continuum” educational event. This exciting event will be held on May 17, 2024 at the Clovis Veteran’s Memorial District from 7:30 am-5:00 pm. This year’s agenda will allow participants to visit all exhibitor booths during registration, morning intermissions, at lunchtime, and during the afternoon intermission.

As you may be aware, the Central California Trauma Symposium commits itself to community collaborations through education and associated research programs. We can proudly say that our educational event is the largest annual symposium that is dedicated to the care of the trauma patient in the Central California Regional Trauma System. We average over 200 attendees from Fresno and surrounding areas throughout California, allowing our exhibitors to network with participants in a variety of medical professions.

Your participation as an exhibitor will help ensure the success of the Central California Trauma Symposium “Trauma Care Across the Continuum”. Please find more information on this exciting event and its exhibitor levels attached to this letter. Please do not hesitate to contact me with any questions. I hope we can count on your support.

Thank you,
